The Board of Directors of the Applied Geography Conferences warmly invites you to participate in AGC 2018 at Kent State University in Kent, Ohio.

For over four decades, the Applied Geography Conference has provided a forum for the exchange and critique of ideas related to the application of geographic concepts, analytical techniques, data, and methods. The conference brings together practitioners, academics, and other professionals who seek geographic solutions and explanations to societal problems.

Papers presented at the conference are welcome for submission for publication consideration in our AGC flagship journal, **Papers in Applied Geography**. See the journal website at <https://mc.manuscriptcentral.com/rpag>.
